Mr. Charles C. Anderson,

Glendale, Utah.

RE:- Long Valley Dist.

Dear Sir:

Referring to your letter of the 8th instant, wherein you state the assessment notice indicates you are delinquent in your payments for the past four years.

You have apparently misunderstood the intent of the notice, as had you been delinquent the amounts would have been shown opposite the years shown. The only amount you were billed for was the \$.83 which covers your 1935 assessment.

Yours very truly,

T. H. Humpherys,
STATE ENGINEER.
